### Property Marking

Dot peen marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique reference.

The unique reference is then put into the national immobilise property register database.

Marking something like increases the chances that you'll get it back if it's lost or stolen. It also helps us to get convictions as evidence when something is stolen.

It can be marked on everything from steel and aluminium to plastic, so you can mark almost anything, from farming equipment, power tools, to electrical devices, bikes, and equestrian tacks.

If you're interested in getting your property marked contact us and we'll get in touch with you to discuss what property needs marking and how and when we might be able to get it done.

Email: [elliott.brown@northyorkshire.police.uk](mailto:elliott.brown@northyorkshire.police.uk)

### Appeal

In the early hours of Monday 16th October a burglary occurred at the Post Office on Richmond Road, Brompton-On-Swale. The offender forced entry to the premises and removing a large quantity of cigarettes and cash. The offender is thought to have made off from the scene towards the A6055. Officers are currently at the scene completing CCTV enquiries and identifying any forensic opportunities.

We are requesting the public's assistance to help establish the full circumstances surrounding the incident.

In particular, we are appealing for information, CCTV, or dashcam which may assist in identifying the offender.

The suspect was described as a male wearing a black puffer style coat, dark Nike jogging bottoms, light coloured shoes, gloves, and a balaclava.

### Driving safe this winter

Before you travel, you should:

- think about whether your journey is necessary
- [check the latest weather forecast](#)
- plan to use main roads and [check the gritting routes](#) even if it puts a few miles onto your journey, but remember that they may still be icy
- check the [live weather cameras](#) for an idea of the conditions
- allow extra time
- ensure you have glasses to the correct prescription
- tell someone your plans
- check whether you need breakdown or recovery insurance

To prepare your car for winter journeys, it is a good idea to check:

- your tyre pressure and tread depth, and your spare tyre
- your vehicle's lights are working and clean
- your wipers, and that you have screenwash containing anti-freeze
- that your car battery is in good condition and fully charged
- your windows and mirrors are clear of ice and condensation
- that your car's windscreen is covered with a blanket overnight
