Updates

This month your Richmondshire Neighbourhood Policing team has a new police constable. PC589 Alex Wilkinson has joined the team.

We have also gained funding for 2 new off road Police motor-cycles has been obtained, this will increase visibility and police presence.

During June we had various seizures of vehicles from public roads that weren't in order. This included 2 on the same evening within Richmond that had no tax.

How protecting your garden makes your home safer

Low front boundary; keep hedges and walls at the front of your house low (under one metre) so burglars have nowhere to hide.

Secure side gate; keep side gates locked at all times. Open gates mean burglars can easily access your home without being seen by passers-by or neighbours.

High side and rear boundaries with trellis and spiky defensive planting; keep hedges, walls and fences around your back garden high (over 1.8 metres). Add lightweight trellis to gates and fences and plant some prickly plants to make it harder for burglars to climb over.

Gravel driveway and path; gravel driveways and paths make it harder for burglars to go undetected.

Security light; install an outside security light so that intruders can't approach without being seen.

Intruder alarm system; install a burglar alarm system.

Secure your shed; always keep your shed locked and secured, and make sure it is anchored down to prevent it from being lifted in order to gain access. Often sheds contain valuables such as power tools and bicycles.

Never leave tools lying around; never leave tools lying around as they can be used as a way of breaking into your home.
