07/06/2024

Dear Mr Michael Banks,

### **Electrical Apparatus at Albrough St John, Richmond.**

Following on from my email dated the 7<sup>th</sup> of June 2024, I have conducted some searches into the village greens for Albrough St John Parish Council for all apparatus to be covered by the one agreement and to supersede the current agreements with an up to date plan.

Please find enclosed a new agreement for the village greens. If you could kindly arrange for the agreements to be signed/completed where indicated, ensuring that the signature is witnessed and then return both agreements in the accompanying reply-paid envelope.

Once the Wayleave Agreement has been returned, this will be finalised by the Support team. Once this is authorised, I will forward you a completed copy of the Wayleave Agreement for your records.

If you could also please return the enclosed form to inform ourselves of who the payments need to be made payable to would be most appreciated.

Please don't hesitate to contact me should you have any questions.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Emma May".

Emma May

Land Rights and Compensation Coordinator
